SUBJECT INDEX

A
Absenteeism
of nursing assistants, managing, 11:11
Accountability
of employers and nurse educators in Idaho, 2:3
for errors, 4:4
individual and organizational accountability for development of critical thinking, 11:39
Achievements
of staff nurses, recognition of, 1:26
Administrative support team, 9:9
Ambulatory care
telephone nursing interventions in, 3:38
American Nurses Association
ANA report card implementation, 6:48
Assaults
on nursing staff, risk factors for, 12:22
Author's Guide to Nursing Journals, 2:3

B
Burma
healthcare in, 10:11

C
California
data collection for nursing work force strategic planning in, 6:9
information dissemination and marketing in, 4:6
strategic planning for future of nursing in, 2:4
Care delivery models
components contributing to cost reductions and care delivery outcomes, 11:23
Careers
evolution of a career ladder, 11:21
Caring model
to improve patient satisfaction, 12:30
Case management
epidemiologic determination of community-based nursing case management for stroke, 6:40
CD-ROMs
infection control, 9:3
pain management, 9:3
Chaos theory, 2:8
Children
childhood abuse as risk factor for assaults on nursing staff and, 12:22
pediatric diversionary programs on adult units, 9:3
Clinical design unit, 6:55
Clinical integration
information systems support, 6:31
Collaborative Care Model, 9:51
Colleagues in Caring program, 7/8:4
Committees
revitalizing, 3:45
Communication
about quality, storyboards for, 1:4
Community-based nursing
epidemiologic determination of case management for stroke, 6:40
Community health nursing
outcomes for, 5:49
Cost reductions
care delivery model components contributing to cost reductions and care delivery outcomes, 11:23
Councilor model, 7/8:19
Critical thinking
individual and organizational accountability for development of, 11:39

D
Decision making
by nurse executives in top management, 4:18
Departmental committees
revitalizing, 3:45
Diversity
leadership for, 6:3
Documentation
in long-term care setting, 12:46

E
Education level
as risk factor for assaults on nursing staff, 12:22
Emergency department
patient needs in, nurses' and patients' perceptions of, 1:43
Empowerment
optimal job performance and, 12:5
of staff nurses, leader behavior impact on, 5:28
Errors
punishing nurses for, 4:4
Ethics
shared statement of ethical principles for those who shape and give healthcare, 6:5
Evaluation process
developmental, 4:25
Evidence-based clinical practice, 6:15
Evidence-based management
evaluating medical day center in Hong Kong, 6:13

F
Foreign languages
policy recommendations for interpreter services, 6:23
Fun
value of, 10:3

G
Graduate education
nursing administration programs, 4:9

H
Healthcare ethics
shared statement of ethical principles for those who shape and give healthcare, 6:5
Healthcare reform
effect on nurses, 3:30
Heart failure
management of, 7/8:28
Hong Kong
evaluating medical day center in, 6:13
Hospice
palliative care program in, 3:4
Hospitalists
on inpatient management teams, 2:21
Hospitals
acute care, impacts of nursing on outcomes of, 2:25
consolidation of, stakeholder analysis applied to, 3:11
evaluation of hospital work redesign and, patient-focused care and, 11:31
high-resource users of, in integrated delivery system, 10:30
hospitalists on inpatient management teams in, 2:21
influence of characteristics on inpatient mortality rates, 4:39
magnet
outcomes of, 2:14
research on, 1:9
patient classification systems for
evolution of, 7/8:49
implementation of, 9:33
pediatric diversionary programs on adult units in, 9:3
protecting from liability for sexual harassment by employees and non-employees, 2:10
rural, nurse case managers in, 2:42
Hospital stays
of less than 24 hours, patient management and, 7/8:38
Humor
value of, 10:3

I
Idaho
accountability of employers and nurse educators in, 2:3
Infection control
CD-ROM, 9:3
Influence
of nurse executives in top management, 4:18
Informatics
process improvement and, 6:55
Information dissemination
in California, 4:6
Information systems
support for clinical integration, 6:31
In my opinion
chaos theory, 2:8

SUBJECT INDEX

evolution of a career ladder, 11:21
graduate nursing administration programs are alive and well, 4:9
is healthcare reengineering resulting in union organizing of registered nurses?, 10:4
Inpatient management teams
hospitalists as members of, 2:21
Integrated delivery systems
high-resource hospital users in, 10:30
patient care model, 9:43
International perspectives
evaluating medical day center in Hong Kong, 6:13
healthcare in Burma, 10:11
nursing in Saudi Arabia: leadership development of a multicultural staff, 7/8:9
quality of nursing care in Slovenia, 11:15
